Case No. 2:23-cv-00207-DAO

District Judge David Barlow

Magistrate Judge Daphne A. Oberg

I am Charlton. I received document number 33 about the plaintiff filing a motion to remove pro bono for me. I provide evidence that I don't have 40,000 cash in hand. I joked to the seller on facebook. I don't have \$40,000 cash in hand, nothing. See bank balance. I don't have a thousand dollars in PNC Bank. I am still on SSA benefits. The judge did grant my motion about what I have ssa and food stamp and medicare. Also Michael Hubbs pressured me to make a vlog "earns \$100 to \$14,000 per day in the stock market", See document 33 number case. Micheal Hubbs pressured me to make a video on facebook to recruit Deaf people to join his course. They believed me but i dont have money. It was paper trading on stock.

afford to pay a federal lawyer and how process motion filed and trial hearing. I am a low income with ssa and food stamp and medicare. Judge already granted forma pauperis. They made a second same **MOTION FOR RECONSIDERATION ON CHARLTON LACHASE'S MOTION TO APPOINT COUNSEL.** See document number is 25. Judge denied the PLAINTIFF'S MOTION FOR RECONSIDERATION ON CHARLTON LACHASE MOTION TO APPOINT COUNSEL.

I ask the court to deny Plaintiff's second motion, the same from document number 25. I already provided my social security income attachment under document 19-20 document case for forma pauperis. Court already processed pro bono for me.

Respectfully submitted,
